A committee member's team may not be participating in the Dual State Championships.

The seeding criteria for the Dual State Wrestling Championships will be as follows:

- a. Head-to-Head Competition. (Teams that have tied during the regular season will use the tie breaker criteria. If two teams have evenly split wins (one-one, two-two, etc.) during the season, the last match wrestled will count towards a team's won-loss record.)
- b. Record against common opponent.
- c. OSSAA Rankings.
- d. Tournament placings at the same tournament after January 1st.
- e. Coaches/OSSAA committee.

Teams that have qualified for the Dual State Wrestling Championships shall complete the enclosed **seeding information form** and fax or email it to the OSSAA by February 4, 2021.

Dual State is a post-season state championship event and the weight certification rule will be in effect which states, “Once you certify your minimum weight, you can only weigh-in one weight class above your minimum weight and still keep that minimum weight. A wrestler who weighs in at any time more than one weight class above his/her minimum weight, his/her minimum weight will move up accordingly.”

During the dual state tournament, the on-site tournament physician will be responsible for examining contestants and will have the final authority in determining an individual’s participation.

Teams must submit their Alpha Master List to the tournament director prior to their first weigh-in on Friday and/or Saturday.
